Substance abuse is a serious health and safety risk for our children and community. The Awake Community Coalition strives to prevent and reduce substance abuse through education, information dissemination and community events.

This resource guide serves as a tool to better assist community members find services. The intention of this guide is to include as many local supports for people as possible. If information is missing or you are aware of resources that have not been included, please contact the Awake Community Coalition through our website at [www.awawake.org](http://www.awawake.org)

A Drug Free Communities Coalition
